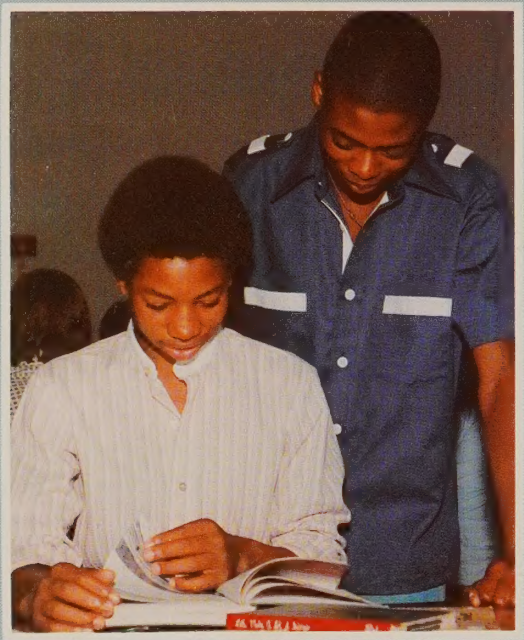
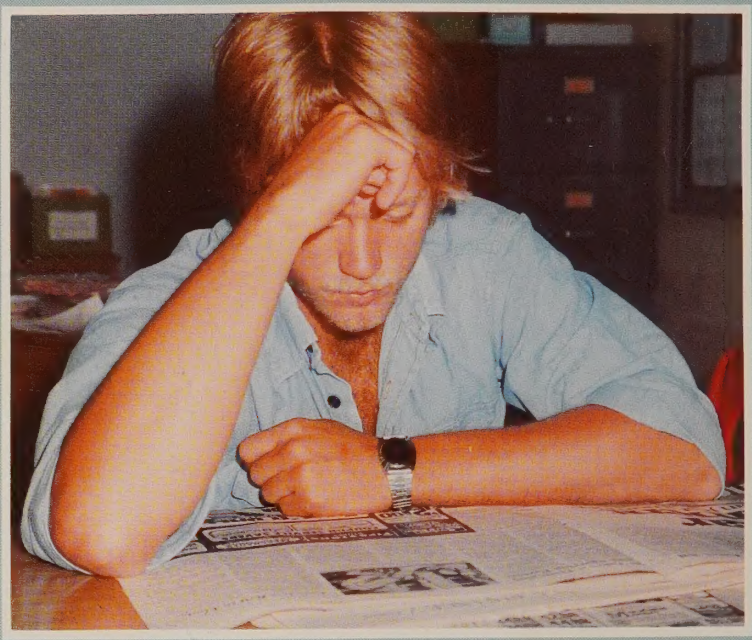
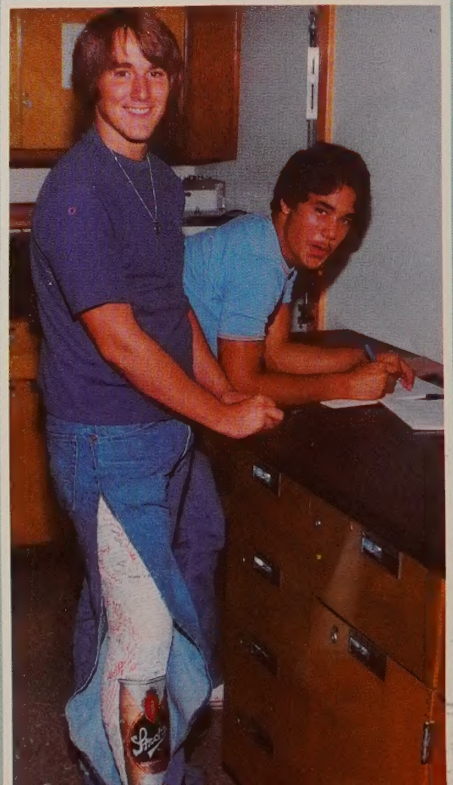
Learning Can Be Found In Many Facets Of The School Program

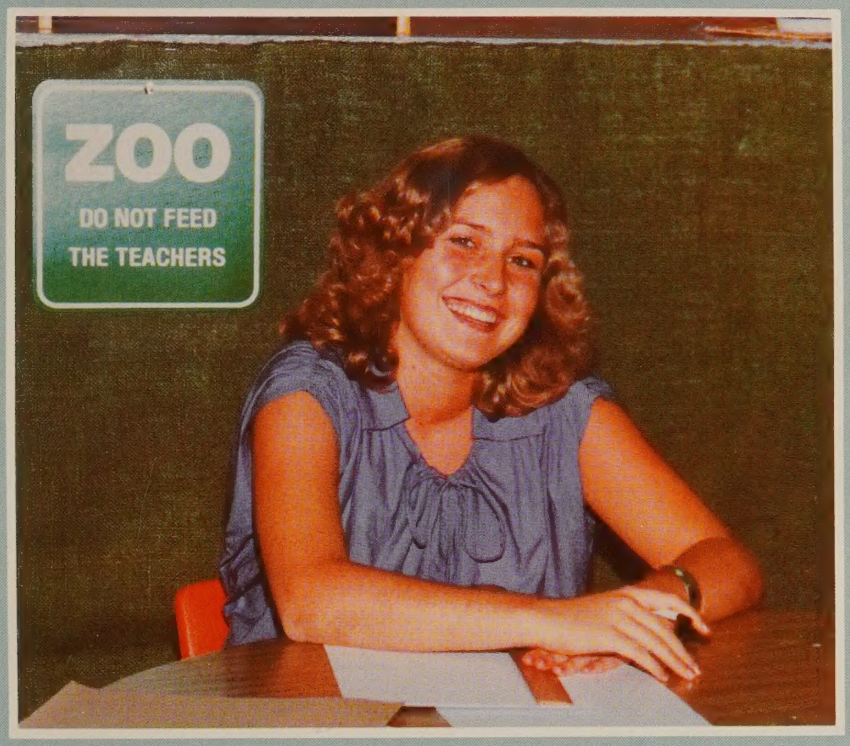




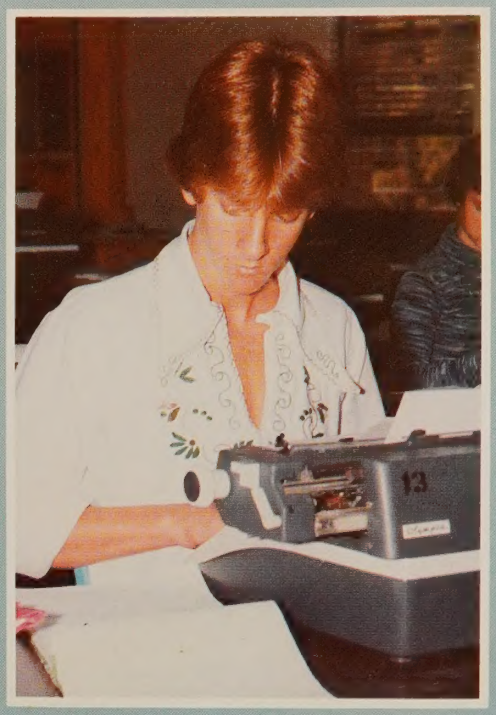
TOP RIGHT: Heather Herndon beams brightly in one of her classes. CENTER LEFT: Researching material is most important to these students. CENTER RIGHT: Sammy Zepka finds the time to read the newspaper.



LOWER LEFT: Being in the cosmetology class can be quite enjoyable for these students. LOWER RIGHT: Kevin Fitzgerald and David Vazquez begin their lab assignment.



TOP LEFT: Mrs. Lunter explains how something should be done. TOP RIGHT: Jay Conley concentrates on getting the lines precise. CENTER: Amy Horton takes time out to smile. LOWER LEFT: Being accurate is evidently very important to Clark Stearns. LOWER RIGHT: Steve Wassel wants to type the right word on the right line.



CENTER: The Flag Corps shows the Colors during a football game.
UPPER RIGHT: Matt Smith gets involved in the Homecoming skit.
BOTTOM: These students enjoy annual frolics.

Majors Are Involved

Learning is acquired by reading books; but the greater learning, the learning necessary to daily life, can only be found through involvement with others. The students of Mount Vernon High School were certainly wealthy in that aspect.

There were numerous activities at M.V. High that could be taken advantage of: clubs, the honor societies, forensics, drama, student government, school publications, chorus, and sports. The backgrounds of those involved were varied, but students overcame difficulties and differences to achieve common goals.

Homecoming was a fine example of that "major" unity. "The reason Homecoming was so successful was the big turn-out of people who wanted to get involved," said Senior Class President George Sotos.

The winning football team excited more participation than ever before. "The crowds were bigger, they're more spirited and their support really helped the team," said cheerleader Cricket Lane.

TOP: These freshmen enjoy the Spirit of Homecoming. CENTER: Mr. Hyer and Mr. Tillman are involved fans. BOTTOM LEFT: George "Washington" Sotos leads the Marching Majors. BOTTOM RIGHT: Fostering more spirit at a football game, these cheerleaders lead the fans in a big cheer.

To many students at Mount Vernon, school is a place to share ideas, explain answers, and solve problems. Whether it is inside or outside the classroom, students always seem to find the time to engage in a self-gratifying moment. A school should have the kind of atmosphere that fosters these things and Mt. Vernon surely does.

TOP RIGHT: John Sweat and Christy Perry take time out to share ideas. CENTER LEFT: These students decide to enjoy a class break. CENTER RGHT: Cindy Rieder seriously enjoys a popsicle. LOWER LEFT: Passing through the lunch line can be a time to converse. LOWER RIGHT: These students are hurrying to and from classes.

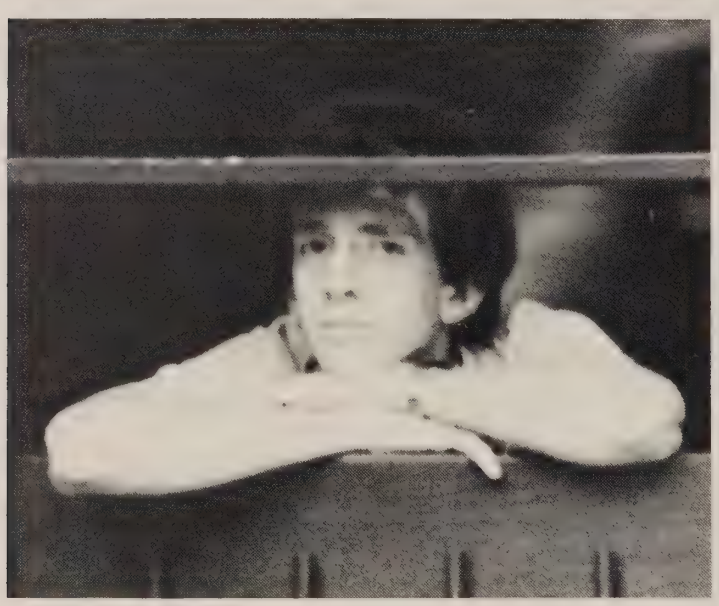
Expressions Reveal A Great Deal About School Life

TOP RIGHT: This student takes a minute to relax from her busy school day. CENTER LEFT: Leah William and Linda Phillippi are eyeing two different persons and enjoying every minute. CENTER LEFT: Arleen Brown shows her friends the way. LOWER LEFT: Christi Wood expresses herself gleefully.

ABOVE: Playing chess seems important to these students.

Ten . . . nine . . . eight . . . seven . . . six - fleeting seconds. It is hard to recapture tranquil moments and uninterrupted thoughts. These moments mean so much and after they leave us, the full value is appreciated.

UPPER RIGHT: Leslie Emmons, with out-stretched hands, feels as if she has everything under control. CENTER LEFT: Paul Hightower seems to be in a pensive mood. CENTER RIGHT: Something is very pleasing to Sonya Rydzewski. BOTTOM RIGHT: Reading is sometimes very enjoyable as Lynn Gusman demonstrates. BOTTOM LEFT: Ted Stauffer tries to fit into his locker.



It's Hard To Recapture Those Solitary Moments

UPPER LEFT: Cathy Huff is anticipating the arrival of someone or something. CENTER: This boy is dreaming of his future years at M.V. BOTTOM: This student decided to make a copy of his face.

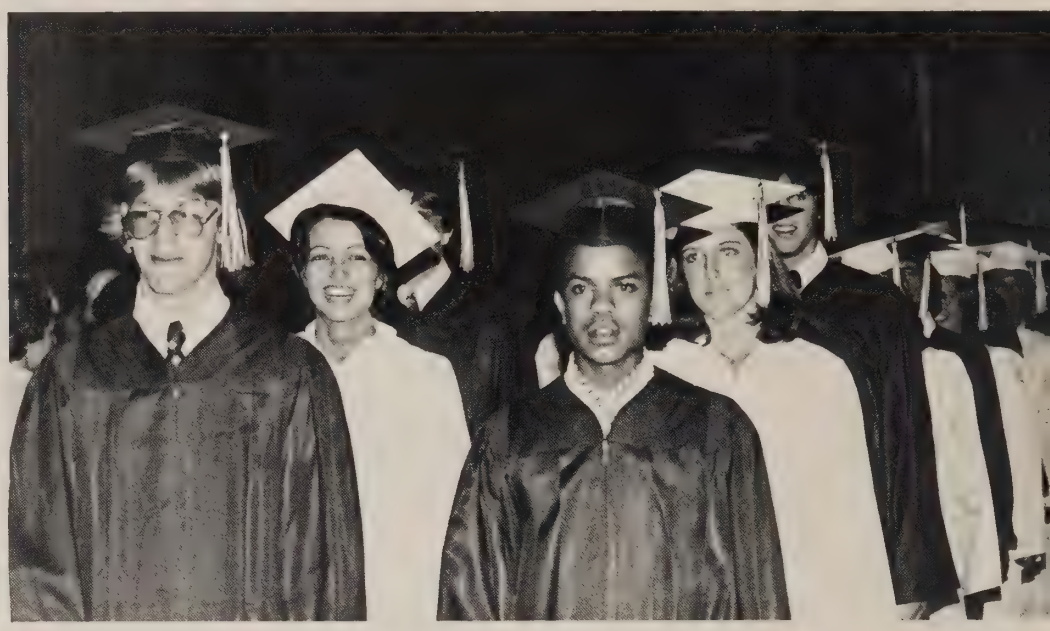
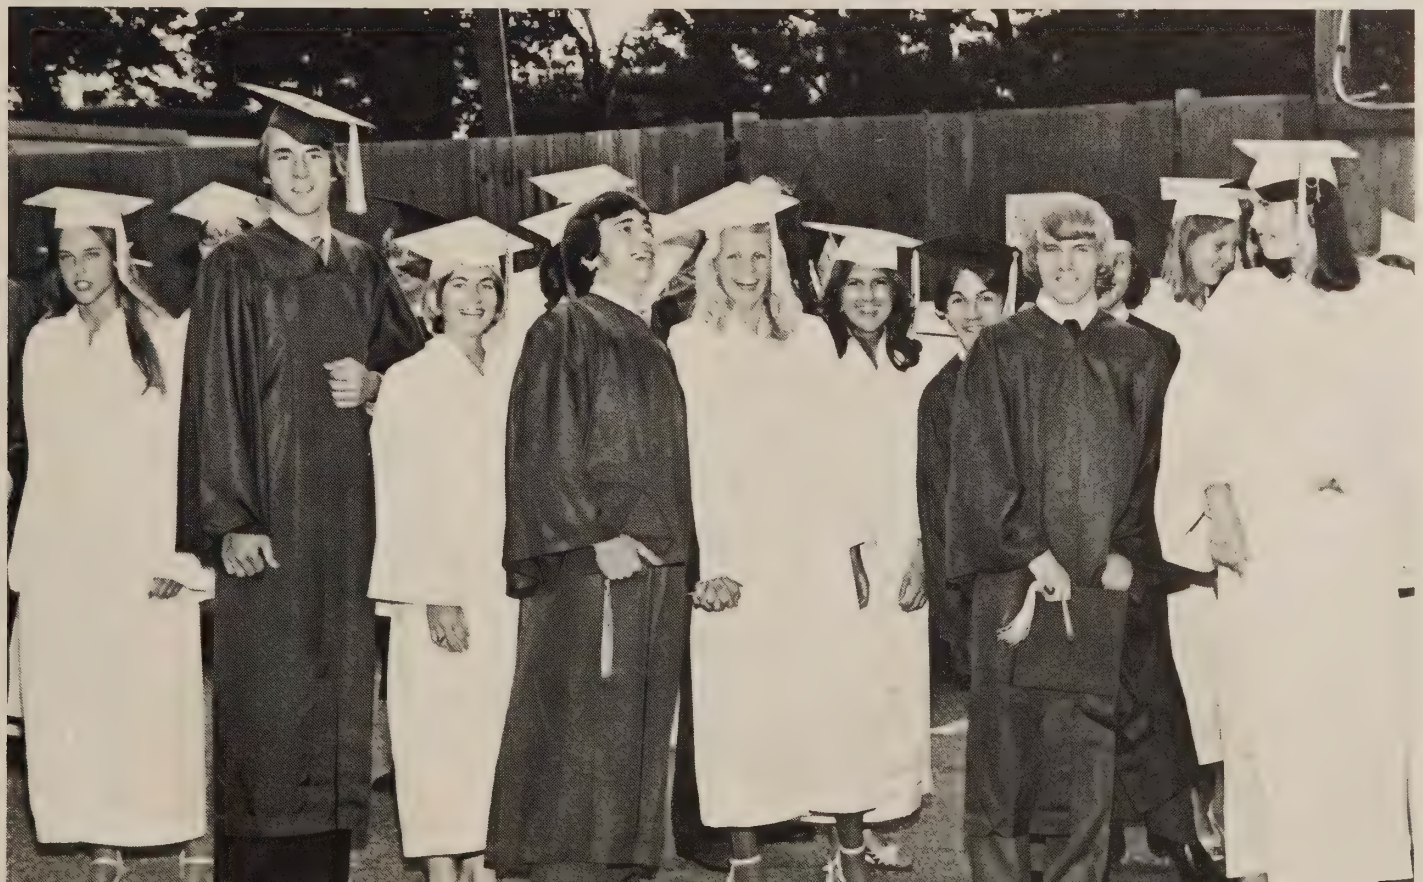
STUDENT LIFE

Look Out World . . . Here We Come!



Commencement . . . a beginning . . . a means to an end. The 1978 graduation ceremony was greeted with mixed emotions. While it was the beginning of the graduating seniors' lives, it was also the end of a lifetime of guidance and security. Graduation brought about the grand finale to some of the class of '78's most memorable experiences . . . their high school years.



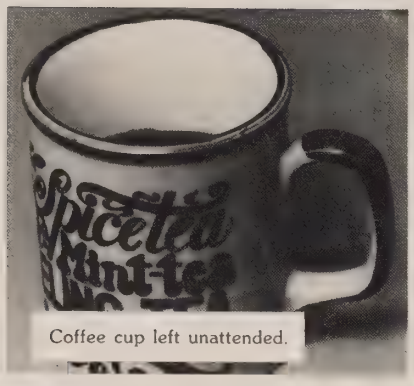
"Showtime"

The Frolics, a choreographed costume production, is performed every other year by the choral department. "Showtime", the theme of last year's production, was enjoyed by more than 1,000 people. The show was comprised of various song and dance numbers by the five choral groups, plus several solos and duets. Tunes from the musicals, "Annie" and "A Chorus Line", made the show entertaining.

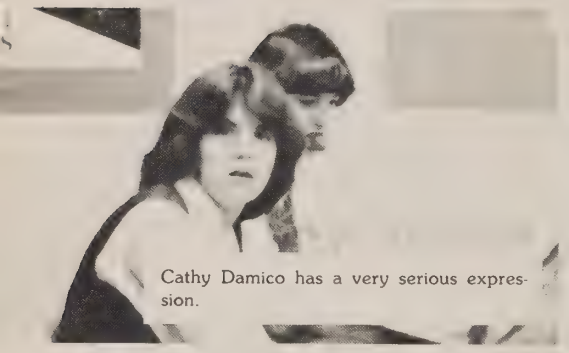
"Hats Off To Fall"

Mount Vernon's Annual Fall Fashion Show, held this year at Garfinkels in Springfield Mall, was a great success. Modeling for Mount Vernon were Angie Atherholt, Caroline Atherholt, Laura Boyce, Connie Briggs, Pam Croom, Bruce Doyle, Tasha Hubbell, Gretchen Jacobson, Doug Moguigan, Cathy Miles, Lisa Mullin, Mary Pollacco, Brenda Seymour, Tracy Smith, Linda Tagg, Tracey Tinnin, Susi Van Dyke, Pam Ware and Diane Mahaley. All did an extremely professional job in showing everything from the latest disco fashions to winter warm-ups.

A Day In The Life

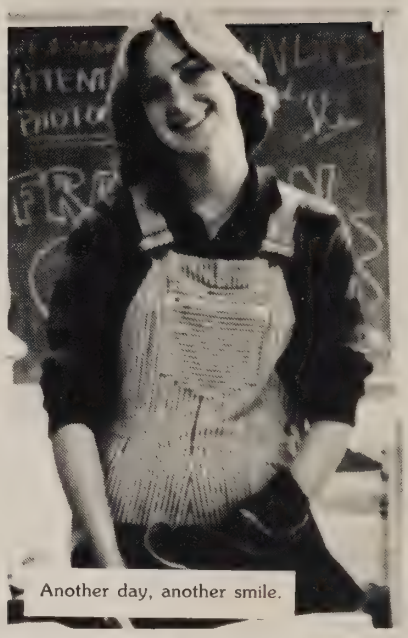


Coffee cup left unattended.



Cathy Damico has a very serious expression.

Bill Sturman gets ready to attend his next class.



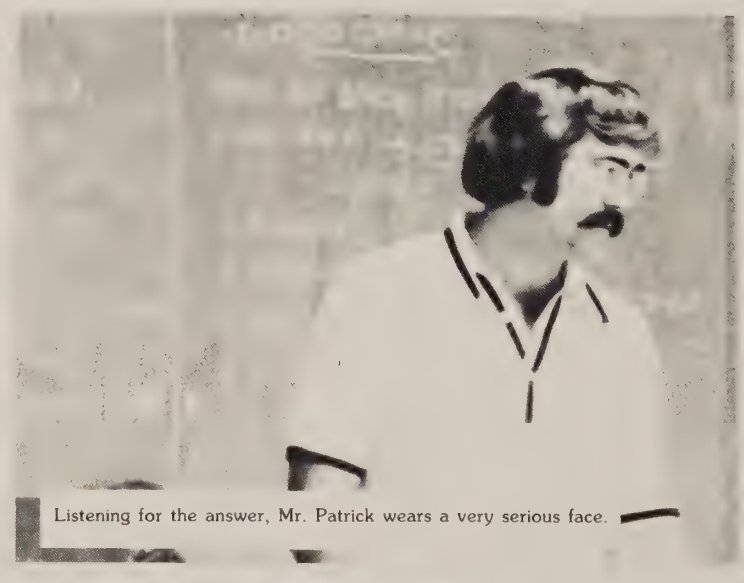
Another day, another smile.

"... Woke up, fell out of bed, dragged a comb across my head. Found a way downstairs and drank a cup, and looking up, I noticed I was late ...

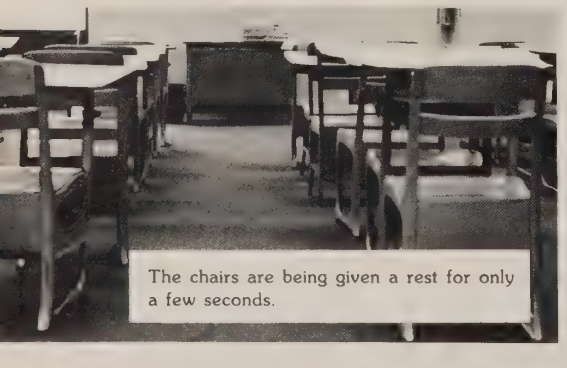
Found my coat and grabbed my hat, made the bus in seconds flat. Found my way upstairs and had a smoke, somebody spoke, and I went into a dream ..."

Little did John Lennon and Paul McCartney know that their prophetic words were lived day by day.

Mount Vernon presents ... A day in the life ...

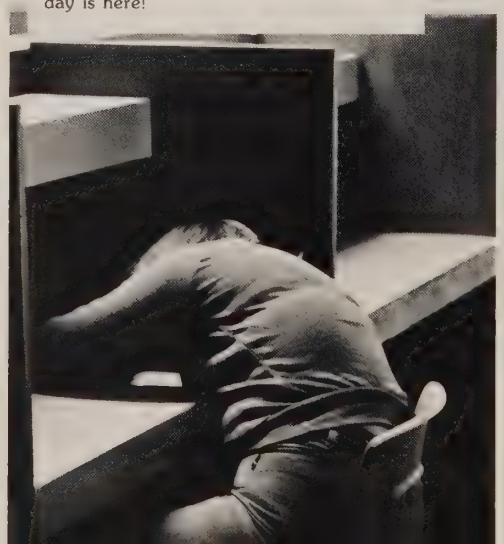


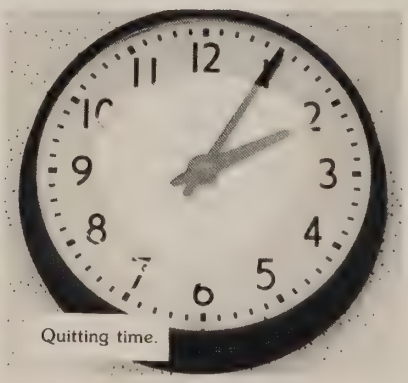
Listening for the answer, Mr. Patrick wears a very serious face.



The chairs are being given a rest for only a few seconds.

For this student, the end of the school day is here!





Quitting time.

M.V. High's Many Choral Groups

Mount Vernon's Choral Council.

Music, the universal language, is composed of style, balance, tone, rhythm, quality and harmony. Here to teach these elements to her students at Mount Vernon is Miss Louise Hopkins, our choral director. Her groups, The Madrigals, Concert Choir, Select Girls, Beginning Girls, Beginning Girls Ensemble, and Girls Barbershop, perform in four concerts a year. In addition to the Fall, Christmas, Spring and Pops concerts, Miss Hopkins' students also participate in Festival, Regional, and State Chorus competitions. Miss Hopkins had a total of forty-one students entered in the Regional Chorus competition — more than any other area school.

Also, as a part of the extracurricular activities at Mount Vernon, the Chorus' contribute The Modern Music Masters (Tri-M), and the Choral Council. An honor society for all chorus and band students, The Modern Music Masters admit students who maintain a B average in music, a C average in their other classes, and who audition upon entry. The Choral Council spends time at their meetings planning the upcoming choral events.

While all of these activities are taking place, Miss Hopkins' students still manage to have fun. Said one of Miss Hopkins' Madrigal students, "While working hard and learning our music well, we still enjoy ourselves and the class."

HOMECOMING . . . 1978

CHRONOLOGY OF EVENTS FOR HOMECOMING WEEK . . . NOVEMBER 10 TO 14, "ERAS"

Tuesday - The week started with "Lick 'em Day" and Homecoming carnation sales, as juniors were seen on their knees in a mad attempt to sell their candy and flowers.

Wednesday - Fashion critics across the nation were awestruck as the student body vividly promoted "Tie 'em Up Day."

Thursday - Fairfax began to cower as Mount Vernon took an "Overall" look at the upcoming game. Meanwhile, in the combative "Battle of the Brush", the class of '79 foiled the class of '80's attempt for a third straight win, as they were named winners of the wall decorations.

Friday - As the maroon and white clad student body shook the stands with the rowdiest pep rally in Mount Vernon's history, the senior class did a convincing number by sweeping both the pep jug and the skit. That night though, it was the Major football team that swept through the Fairfax Rebels, 8 to 6, in an exciting non-district game. That night also featured the crowning of Reaves Allen as the 1978 Homecoming Queen and the junior class grabbing a highly competitive float victory.

Saturday - The week came to a climatic end with the well-attended Homecoming Dance, featuring "Inside Straight" and a faster paced disco. The 1978 Homecoming . . . an era in itself.

Roll Out The Red Carpet

While the band played Barry Manlow's "Somewhere in the Night", the eleven Homecoming princesses and their escorts filed into a V-shaped formation. The final senior princess was introduced, and everyone waited to hear, ". . . and the Mount Vernon 1978 Homecoming Queen is . . . Miss Reaves Allen!" Reaves, crowned and arms laden with roses, flashed a warm, winning smile, and the crowd fell in love.

The seniors sail by in their float displaying the 1940's.

LADIES AND GENTLEMEN, WE ARE COUNTING 'EM DOWN . . . THE SIXTIES, THE FIFTIES, THE FORTIES, THE TWENTIES.

The pages of history were being turned backwards on the night of October 13, 1978, as the annual float procession passed in front of the anxious crowd. Applause, cheers, and yells vibrated the stadium as the respective classes and impressed fans showed their approval of the hours of hard work that had been put into the creative floats. It wasn't until late in the third quarter that it was announced the junior class won the event, dashing the seniors hope for a Homecoming sweep.

The freshmen's float of the 1960's is "out of this world."

"Happy Days" are here again as the sophomores present the '50's.

Freshmen Show Initiative

Just because the freshmen were new to the school didn't stop them from falling right into the move of the Mount Vernon groove. With the guidance of Mrs. Spencer, they got right to business and made their main emphasis earning money for their treasury. Their innovative fund raising ideas included everything from plant sales to the original fund raiser, the bake sale, to the new wave, selling buttons.

Of course, there were other decisions and ideas made for the class. Making those decisions were President-Dawn Allen, Vice President-Patti Knudson, Secretary/Treasurer - Sharon McGarry, and Senators: Joan Pufko, Bumper Stevens, and Dan Scandling. Everyone did an outstanding job in his or her position, and in the process made the freshman class one of the best.

"What are those freshmen doing now?"

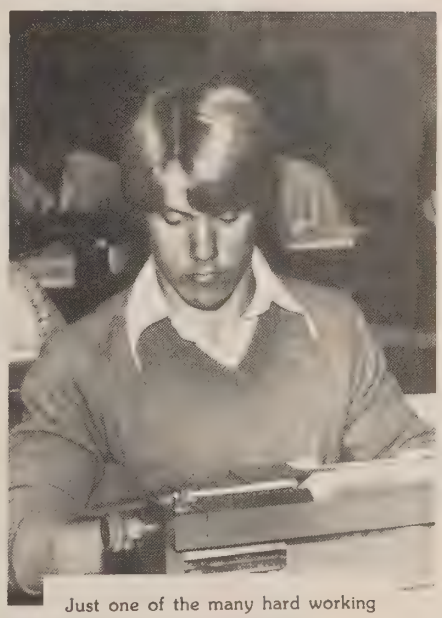
Sophomores Have Spirit!

"Whose the leader of the club . . ."



Just one of the many hard working sophomores.

Our sophomore officers had mixed emotions about having their picture taken.

Six hundred and fifty strong, the most spirited class at Mount Vernon, the sophomores, ran away with more pep-jug victories than any other class. It was their spirit that contributed to some of the rowdiest pep-rallies that Mount Vernon had ever seen. However, leading the school in spirit was not their only fortress. Aside from having an unbeatable enthusiasm, they had the rare trait of organization. Sponsored by Mrs. Wilson, President Cindy Harris, Vice President-Marti Lindsey, Secretary/Treasurer Charlene Samuel, and Senators: Holly Johnson, Stan Soldz, and Ann Woodward organized the fund raising activities of the class. Activities such as selling flowers, candy, and cards on Valentines Day, and the successful Sound Tech Dance in March, earned the sophomores many a dollar for their class kitty.

Monte Carlo Madness

. . . 250,000 here. Do I hear 500,000? 500,00 over here? Do I hear 1 million dollars? One million from the man in the blue - one million going once, one million going twice . . . . Where are these stupendous figures coming from?

The gambling casinos of Vegas? The high stakes placed at the gambling tables of the Bahama casinos? No, none of these; they are prices being quoted at one of the most prestigious gambling organizations in the country, or for that matter, in the entire world. Of course, everyone knows that we are talking about the multi-billion annual world class Mount Vernon Key Club Monte Carlo Night!

It was run as simply as this - the hordes of people tried their gambling skill at the various games of chance. After these people built their wad of cleverly counterfeited cash, an auction was held where a great number of prizes and gift certificates were auctioned off to the high bidders. A fun night was had by all, as the Key Club helped boost their budget through their successful efforts.

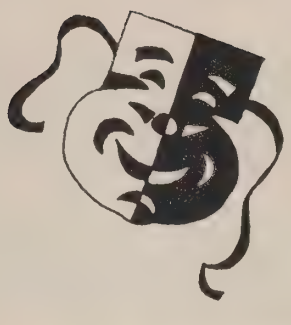
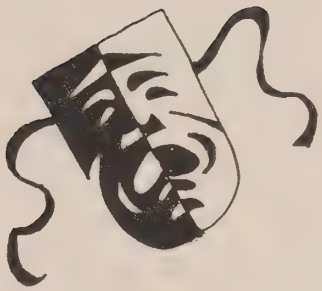
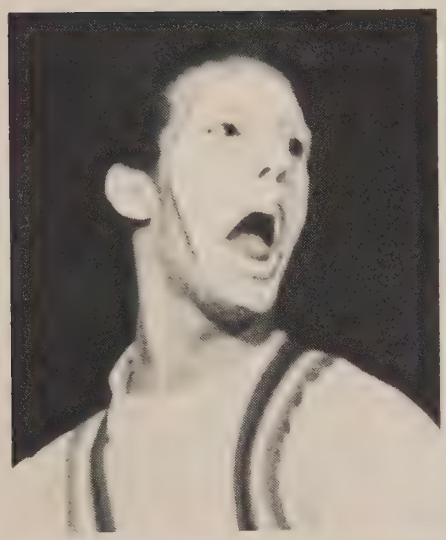
Drama!!







Mr. A. Lee Pauley's Dramatic Arts department produced several fine performances including Neil Simon's award winning play, "The Odd Couple", the Drama II class' "A Night of One Acts", and the Mime Troupes', "Once upon a mime" show.

Behind the scenes of any good performance are hard workers heading up committees of lights, sound, make-up, set design, and costume. The spectacular performances given at Mount Vernon were a direct result of these persons' diligent efforts. Their achievements and hard work were rewarded by their induction into the International Thespian Society, an honor society for Dramatic Arts students.

Pictured here were some highlighted moments of, "The Odd Couple". Top Center: After having left his poker game, Oscar Madison (Mike Brigham) answers the phone. Mount Vernon Marching Majors

Field Commander: George Sotos
Captain Drill Team: Mimi McCarthy
Captain Rifle Squad: Vicki Ball

The Mount Vernon Marching Majors, under the direction of John E. Casagrande, is one of the best high school bands in the area. The Marching Majors include the drill team, flag corps, rifle squad, color guard, and band, totaling 148 members.

During the past year, numerous performances have included the Virginia State Fair, University of Maryland Band Day, the halftime show at RFK stadium for the Washington Redskins/New York Giants N.F.L. game, and the Orange Bowl Parade. In addition, the Marching Majors provided the halftime performances for football and basketball games at M.V.H.S.

In competition the Marching Majors received several high awards but none were more welcome than the honor of being accepted as the first high school band from the Commonwealth of Virginia to perform in the Orange Bowl National Marching Competition in December.

The nationally-televised King Orange Jamboree Parade was estimated by NBC-TV to be viewed by over 30 million people throughout the United States and foreign countries. Also, the Orange Bowl committee estimated the on-the-street audience at over 50,000.

Key Club Unlocks Doors Of The Community

The Key Club gave much time, effort and money to many organizations, both in school and community. The best fund raiser was the Marathon Dance that produced approximately $2,100. Other projects included Monte Carlo Night, which made $450.00, a citrus fruit sale that earned another $2,000, and a Christmas tree sale with the Kiwanas. The club also gave annual donations and assisted in cleaning the grounds at Mount Vernon Hospital.

During Key Club week they held an appreciation dinner in honor of the teachers. The club contributed 250 hours of hard work building the press-box, reseeding the football field and landscaping the school grounds.

Students, teachers, and administrators all saw the effects of the Key Club and are proud to say it is a part of Mount Vernon.

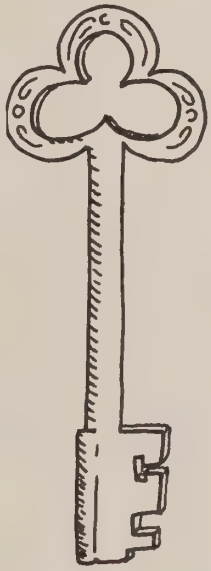
Mike Larson prepares to wheel and deal.



The Key Club's theme was "Responding to Society's Needs," and the club made greater gains than ever before.

The majority of their funds were given to many areas of the school. The club gave money to the media center, audio-visual department and plants for the greenhouse.

Jim McGovern served as Governor of the Capital District and David Wheeler served as Lt. Governor. Only through every member working together and doing his part could they have accomplished the amount of work they did. Each member was proud to belong to such an important club and does enjoy doing his job to help.

Bake sales and bazaars, car washes and candy sales - sound busy to you? Well, it's all in the life of a Keyette!!

In the fall, there were many bake sales, the can-food drive, the Sadie Hawkins dance, Teacher's Appreciation Dinner with the Key Club, and an ice cream party with the Ft. Hunt Keyettes.

As winter progressed, everyone was busy preparing for the Christmas Bazaar, in which $500 was raised for the Kidney Foundation. At the bazaar, a tree skirt and a nutcracker were raffled off also.

Later, another dance, picnics with the Key Club, and try-outs for new members kept the Keyettes busy.

Frosh Girls' Ensemble/ Orchestra

Directed by Miss Louise Hopkins, the Choral Department of Mount Vernon includes Freshman Girls' Ensemble, the Madrigals, Mixed Chorus, Beginning Girls' Chorus, and Concert Choir.

In November, the first of four concerts was given—a Fall Choral Concert, a Christmas Choral Concert in December, and a "Pops" Concert held in March. Finally, the Spring Choral Concert was presented in May.

In addition to those concerts, the Concert Choir participated in a Tri-Concert with Jefferson and Fort Hunt High Schools.

Throughout the year, a few of the groups performed for clubs, radio, and television.

Madrigals Sing A Song

Presenting: The Concert Choir

Madrigals is a select group of outstanding choral members who must audition before joining the group. They perform sixteenth and seventeenth century music, as well as, pop music at places such as civic clubs, senior citizens homes, and private parties. They were also seen on Ed Turney's Christmas special on Channel 7.

The Concert Choir is the select large group of choral members. These students perform all types of music during the school year at various events such as the fall and spring choral concerts, as well as others. Out of these two groups, many members made all regional chorus. This is an honor for members selected.

Debate Club

Sponsored by Mr. Bob Ingalls, the debate team went on various meets across the East Coast. Trips were made to such places as Bronx, New York where they made semi-finalists; Newark, New Jersey where the team made quarter-finalists; Panas, New York where they made quarter-finalists, and Madison High School where the team made semi-finalists. Also, the debate team, led by Kelley Stalzer, participated in local tournaments throughout the year. Their final goal for the year was to make it to national competition in Milwaukee, Wisconsin.

Student Congress

Student Congress: L. VanMeter, L. Nassif, R. McManus, J. Julian.

Student Congress, a fairly new club at Mt. Vernon, is, in a manner similar to the debate club. Members of the club debate on issues that are presently in congress, and vote on whether or not bills going through Congress should be passed. The purpose of the Student Congress is to promote the development of public speaking skills and increase awareness of national issues through participation in competitions.

Fashion In Action

The Fashion Associates have had a busy and productive year. Once again they presented a fashion show which was held at Garfinkels. They took various trips during the course of the year. Among these were trips to Reading, Pa., a visit to the Smithsonian Institute for a history of a fashion display, a trip to Whiteflint Mall, and the highlight for the year- a trip to New York for four days and three nights. The students learned a great deal about the world of fashion by completing a detailed report on a chosen famous fashion designer. Many of the students also attended area fashion shows put on by local stores and malls.

Political Science Current Events Club

The Political Science/Current Events Club is a relatively new club at Mount Vernon. Formed in the Spring of 1978, the club's intentions are to give students deeper insight into current issues in the news. Co-founders Jeff Lenihan and Norman Ackerson, under the sponsorship of Mr. Michaelson, felt knowledge of current national and world conflicts in the news needed emphasizing in the education of the high school student. To help students understand controversial issues such as the Equal Rights Amendment (ERA) and the Strategic Arms Limitation Talks (SALT), the club invited speakers to discuss these topics with both students and teachers.

SGA: The Mr. Hiatt Club?

No, not the Mr. Hiatt club, this is the Student Government Association. Formed to help and serve all students, this club originated several years ago and has become much more involved in student activities. With Mr. Jack Hiatt as its sponsor, the SGA's most significant fund raising activity was the annual magazine campaign. Financial contributions to various clubs were a large portion of their major concern. Money was given to these clubs: $500 to MVTV; $1200 towards the greenhouse door; $332 To Science Dept., $300 to swim team; $359 to Athletic Dept., and over $750 to support the Marching Majors' trip to the Orange Bowl.

This year, the SGA did something just a little bit different. For the first time, the SGA provided cardboard folders with important information printed on the inside instead of distributing student handbooks. This was a huge success.

The SGA has worked very diligently with the entire student body, and deserves much recognition for its outstanding feats.

SAC

SAC is the abbreviation for Student Advisory Council. Each month, the five members from each school in the Area I met and discussed current school issues and problems from the students' point of view. Some of the standing issues were the new grading scale, school lunches, open campuses, and the individual school problems. The 1978-79 SAC Officers were Tony Lovelace, Missy Atkinson, Pam Passman, Scott Innis, and Janet Martin (not pictured).

A Silent World Of Mime

Silence, that's the idea of the Mount Vernon Mime Troupe. Miming is the art of expressing oneself without the use of words. To audition for the group, a student was required to act out a series of mimes taught to them. The troupe's schedule this year was filled with many activities. They performed for many groups around the area including other schools and various clubs.

Thespian - An Actor's Actor

The Mount Vernon International Thespian Society, Troupe 1779, is sponsored by Mr. A. Lee Pauley. To become a member of the troupe, a student must obtain ten quality points. The points are acquired by working ten hours in a production. This can include acting in a production, helping with props and make-up, and other jobs in the production. In order to stay in the group, a thespian must earn three quality points a year.

The Thespians sponsor two productions a year. Their first production was the play "The Odd Couple," which, with its zany comedy, was a great success. Their second was a talent show with many different acts. Besides participating in the Thespian productions, a member can also take part in any of the other productions put on by the drama department.

The French and Spanish Honor Societies serve to give recognition to students who have excelled in their language studies. The two honor societies were involved in more activities than ever before. Spanish Honor Society president Pam Passman said, "We're planning a trip to Mexico in the spring; we go to numerous Spanish restaurants in the Washington D.C. area, and we've had many different cultural fiestas in school." Michelle Lawrence, the French Honor Society president, noted that the French Honor Society participated in various functions to promote the study of the French language and culture in high school. Both honor societies require that students attain a 4.0 average or study their respective languages for five years to gain entrance into the honor societies.

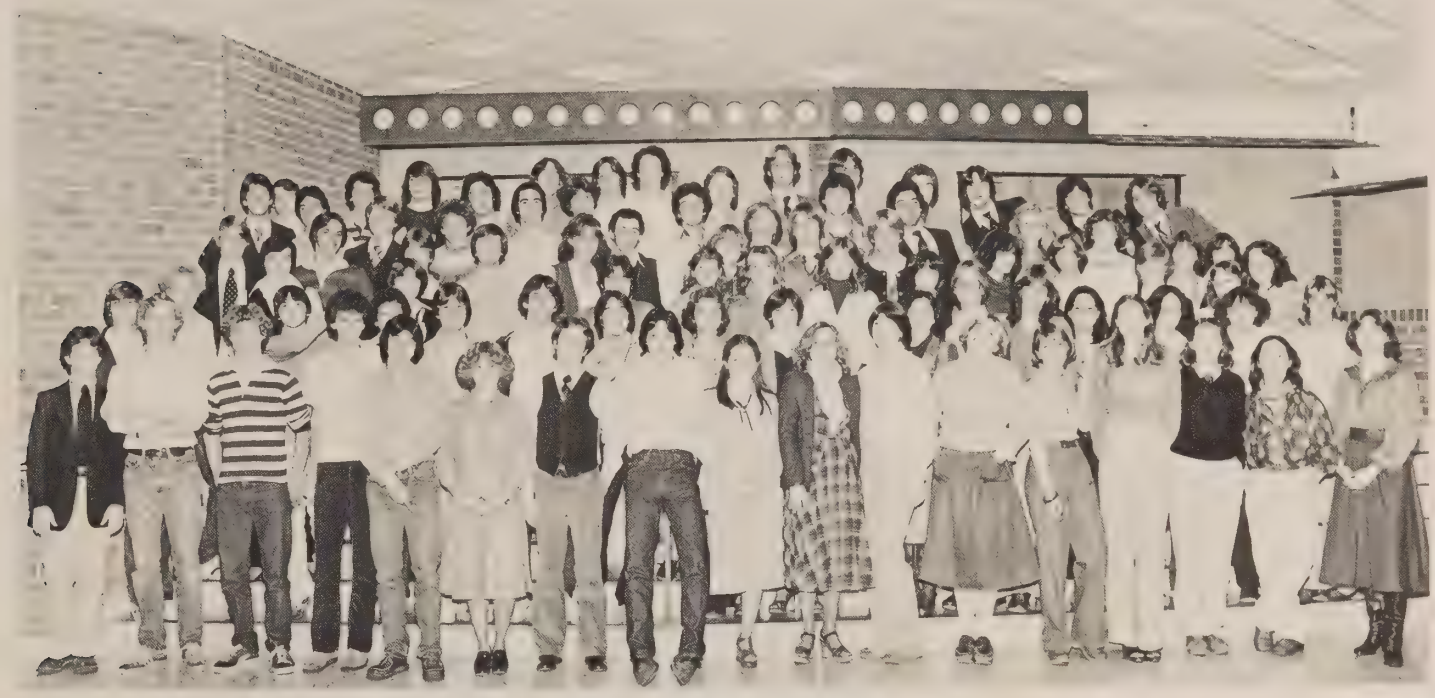
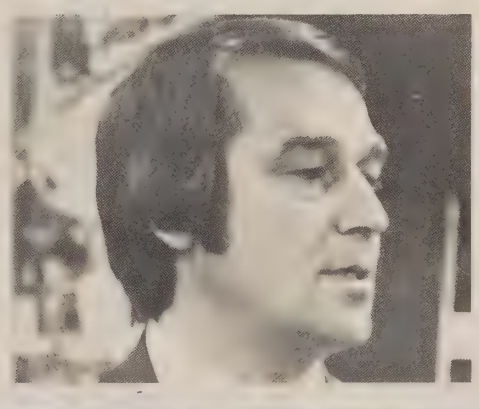
Distributive Education/Science Fiction





GUEST speakers talk to the DECA members.

The DECA Club is one of the biggest and most active of Mount Vernon's organizations. Some of the activities that the club engages in include: DECA Homecoming float, the DECA Flea Market, the Employer-Employees Banquet, the Christmas Dance, Credit Seminar (Civic consciousness project with Collingwood), Washington DECA Experience (which is a tour), and annual DECA competitive events.

"Star Wars", "Star Trek", "Future World", and "Close Encounters of the Third Kind" are all thrilling adventures that the Science Fiction Club can easily enjoy and relate to. The members exchange books and ideas on numerous make-believe world entanglements. Questioning the reality of this world, members often became so enthralled that they were left mystified.

FBLA Starts To Interest Many People

FBLA's main interest was self-improvement in the 78-79 school year. Four officers accompanied Mrs. Jacobson to the annual conference at Massenetta, VA. Chapters from all over VA were represented and everyone learned how to make his chapter bigger and better. This self-improvement drive affected individual members as well as the entire club. People representing many different businesses spoke to the group to expose each member to the business world. The FBLA did not forget the community. The annual Walk-a-thon for the March of Dimes was a great success. Its courteous respect for M.V.'s faculty was exhibited by providing doughnuts for them on a teacher workday. The club tried something new this year and attended the Day of Discovery, which included mountain climbing, repelling, and other outdoor activities. The once a year trip to Kings Dominion ended the year off with a bang!

Talent Incorporated

The group, Talent Inc., traced its roots to a club that was at Mount Vernon three years ago called the Third World Experience. Though the Third World Experience is now defunct, it is the goal of Talent Inc. to perform in the same quality as their respected predecessor. They plan to expand their activities to even greater heights and thus make themselves a more interesting and fun group of the student body. The main purpose of Talent Inc. is the study of black culture in all its aspects and they are open to anyone who would like to share their experience.

A new addition to the paper this year is Bruce Allen's Sideline—a column written about one of MV's outstanding athletes. Sponsored by Mrs. Julie Rossell, the members of the newspaper staff, consisting mostly of seniors, worked diligently to meet their various deadlines. These Journalism II students used their imaginative and journalistic talents to produce a very effective and informative publication.

Deadlines! Deadlines! Deadlines!

Drawing lay-outs, writing copy, raising money, and meeting deadlines were all a part of yearbook class. Students participated in several activities to help improve yearbook skills, including trips to the University of Virginia and New York City to participate in yearbook seminars. The students' participation in these workshops were the result of the active involvement of the new sponsor, Mrs. Phelps, who brought with her many new ideas and a great deal of enthusiasm.

The varsity tennis team jumped to an early lead in the district competition by winning their first four games of the season. In an outstanding match against Groveton, the Majors defeated the Tigers with a complete shut out. Next came a match against the Federals, their chief competitors. Unfortunately they were defeated with a disappointing score of two Major wins to seven Federal wins. After the match with Fort Hunt, the team only won two more games, finishing the season with a district record of six wins and four losses and an overall record of ten wins and eight losses.

An outstanding team is composed of outstanding players. There were many outstanding players on their year's varsity tennis team. Barbara Murphy finished the year with a 9 and 0 record which won her the Most Oustanding Player Award. Another player, Kelly Owens, also had an excellent season. She finished the year with a record of eight wins and only two losses.

Not only do the girls compete in singles tournaments but in doubles matches as well. Joanne Ciccone finished the year undefeated in doubles competition. For this kind of playing Joanne received the Most Improved Player Award, a trophy well deserved.

All the girls lettered this year but special recognition must be show to Karen Vonier who was the Majors Gunston Representative to the Regional Tournament.

The girls ended the year with a record to be proud of and Coach Wolfolk must be credited with a portion of this success. Her first year as the girls' coach has been a notable success.

Junior Varsity Tennis: Their First Year As A Team

For the first time in Major history we had a junior varsity girls' tennis team and as a first year team they did an outstanding job. They closed out four teams in the district competition and lost only two matches against Fort Hunt and Hammond. They finished the season with a record of nine wins and two losses, an exceptional job.

Leading the team in scoring was Joy McGrath, who finished the season undefeated. She played in eight singles matches and one doubles match and won all of them. Other undefeated players were Stephanie Blackledge, who won five games, Patrica Rice and Merrilee Bowen who each won one game each.

These girls will be our varsity tennis team in future years so we can expect great things from this year's team and their coach, Mrs. Wolfolk.

Joanne Ciconne and Holly Johnson show great tennis form.

JV Grapplers Capture District Title With Perfect Record

When asked what he thought of the JV wrestling season, Coach Roy Vaughan replied, "It was very successful in that the young wrestlers improved as the season went on, as indicated in the District scores." The JV team went undefeated in the district for the first time since 1973. This year's team out scored their opponents by a combined team score of 205 to 52. The season ended on a six match winning streak as the Majors crowned seven district champions and two runner ups. Champions for the Majors were 98-Dan Davis; 105-Mike Piatak; 126-Doug Gates; 132-Bret Quigley; 167-Charlie Kilpatrick; 185-Mark Anderson; and Hwt-Jimmy Scott. Runner ups were 126-John Blakely; and 138-John D'Amico. With the young talent the future seasons look bright for the Majors.

Who Else Finished The Season Undefeated?

Our Junior Varsity Field Hockey team finished its season undefeated. This fact was due to the outstanding players on the team. Yet, not only were numerous individual talents shown, but a great deal of team work displayed. These girls did not play for themselves, but for team recognition.

Players deserving recognition were Cheryl Walters, Karen Freeman, Patty Knudson, Mary Duvall, and Marilyn Hynes. Just as important as these offensive players were the ones who played on defense. These girls only allowed a few goals to be scored against them, contributing a big part in the Majors' victories. Defensive players deserving mention were Ginger Walters, Charlene Smauel, Eileen Cutting, and Carolyn Van Metre.

"What a hunk!" says Donna Wells.

Field Hockey Sticks It Out Till The End

The scores of the varsity field hockey team were not impressive at first sight, but the girls themselves were proud of their record. They finished third in a very competetive district where the first place team advanced to the state championship, and the second place team captured the state title the year before.

Team leadership was provided by captains Bonnie Perry and Missy Atkinson. These two girls proved that hard work has its rewards when Bonnie was elected to the All District Team and Missy received the Most Improved Player Award. The Most Outstanding Player Award went to Jeanne Leffler for her tremendous defensive plays.

The girls ran into some problems toward the end of the season when Beth Kelln, the team's right outer, injured her knee and was unable to finish the season. Minus one player Kathleen Melton was brought up from junior varsity where she scored for her first time on the varsity team. The knowledge that Barbara Zinsser, the team coach, was leaving brought disappointment to the team. Despite problems the Majors finished the season with a record to be proud of.

In competition for the district title, the Majors gave their rivals a good fight, though they didn't attain their goal.

The varsity team began its season successfully until it encountered Fort Hunt. Through the season, Fort Hunt gave the team its stiffest competition which cost the Majors the district title. Toward the end of the season, the Mount Vernon girls lost games to both Hayfield and Groveton. The Majors' victories on other fronts led them to finish third in the district.

Under Mrs. Boster's guidance, Paige O'Neil, Joanne Ciccone, and Margaret DeBiase made the all district second team.

Coached by Roy Vaughan, the junior varsity finished second in district, the district title being lost in the final game against Hayfield when the Majors were defeated in the last inning.

Freshmen Football

Coached by Robert Jones, the freshmen football team compiled a season record of 4-2.

Led by co-captains Scott Harmon and Bjorn Chambers, the team proved to be one of the better teams in the Gunston District and captured a second place finish in it.

When asked which game was the highlight of the season Coach Jones quickly and without hesitation answered Mount Vernons arch-rival Fort Hunt. A game which the majors won easily 21-8, a feat which neither the Junior Varsity or Varsity football team was able to accomplish.

Outstanding players on the team included the two co-captains, and three other members of the team. Paul Hoben at quarterback, Chris Gould at halfback, and Tom Greer also at halfback.

Junior Varsity Second In District

A 6-2 record was brought in by Mount Vernon's J.V. football squad. A record good enough to give the Majors a second place finish behind Ft. Hunt who beat the Majors in their last game for the district title.

The team often practiced long hours with the Varsity, playing the role of a scout squad, which contributed to the Varsity's success while also developing individual skills and talents.

Outstanding individuals on the team were Chris Swanson at quarterback, Brian Proctor at halfback, Chris Cotter at safety, and Joe Moss at linebacker.

Last minute instructions

A Season Of Pride And Dedication . . .

When the Majors opened up the 1978 football season, they were to start one of the most spectacular seasons Mount Vernon has ever had.

Herndon was the Majors' first opponent and Mount Vernon had little trouble defeating the visiting Hornets, 23-12. Mount Vernon's second game was played at Marshall H.S., where the Majors easily extended their record to 2-0 with a victory over the Statesmen. In their third game, the Majors faced Hayfield, and kicker Mark Harmon scored three field goals to give Mount Vernon another victory, their first in district play. Quarterback Sam Zepka won the next game by diving into the end zone for a touchdown on a QB-Sneak against the Edison Eagles. The Majors continued their winning ways for four more games, defeating some tough opponents, including such powerhouses as Robinson and T.C. Williams, both of whom had defeated Mount Vernon the previous year.

With the Gunston District and an undefeated season at stake, the Majors went into the final and most crucial game of the season against arch-rival Fort Hunt. Early in the game Mount Vernon ran into trouble against the Federals who quickly took advantage of the situation and ran up a 14-0 lead before the Majors could recover. By that time, however, the Federals had gained a substantial lead and they won the game 34-18, capturing, simultaneously, the district title.

The Majors, led by second year coach Waverly Brooks, had an outstanding season and along with it many outstanding individuals. Standouts on the squad included Derek Steele, who rushed for an amazing 716 yards, Quarterback Sam Zepka, who passed for 812 yards and 9 touchdowns, kicker Mark Harmon, who kicked eight field goals and 11 extra points for a total 35 points, and receiver Scott Swanson, who made a total of seven touchdowns for 42 points. Outstanding defensively were Billy Davis, Jay Conley, Jim Forrester, Junior Brown and Chris Mitchell.

Cross Country Keeps On Truckin'

In the '78 fall season, the cross country team brought home a 5 - 0 record and the Gunston District Championship. The team then went on to win third in the Region and eighth in State competition. Paul Hightower and Mark Faye ran their best races in the district meet placing fifth and sixth for the Majors. Along with scheduled meets the team also participated in invitational meets. At Burke Lake, Deke Johnson ran an outstanding race and became the tenth fastest man to run this course. In the U.V.A. invitational, Jim Boinest placed eighth in a field of 200 competitors. Competing against 10 other teams at the Pallotti invitational, the Majors placed third overall; at the Fairfax County meet, they placed second against 23 other teams. The team did an excellent job and at the Fall Sports Banquet Jon Schuck was presented with the outstanding runner award.

The cross country team welcomed Tom Ashford as their new coach this season. Being new among experienced runners, he was very confident of his team and felt they were the best cross country team Mount Vernon has had in some years.

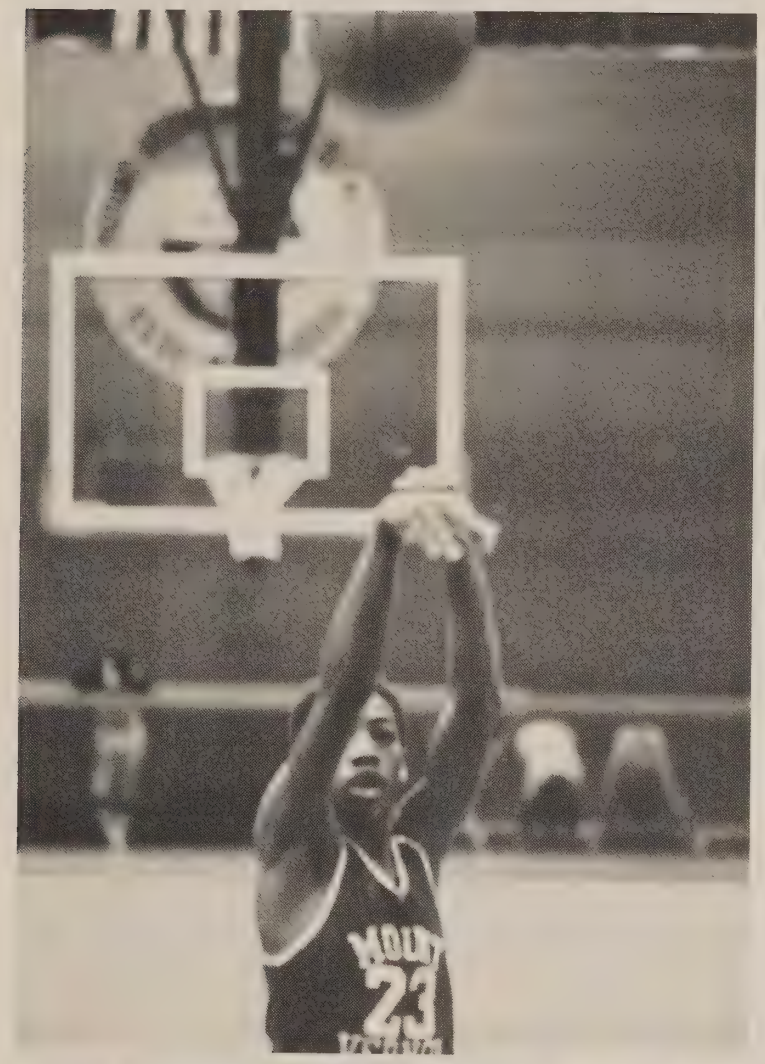
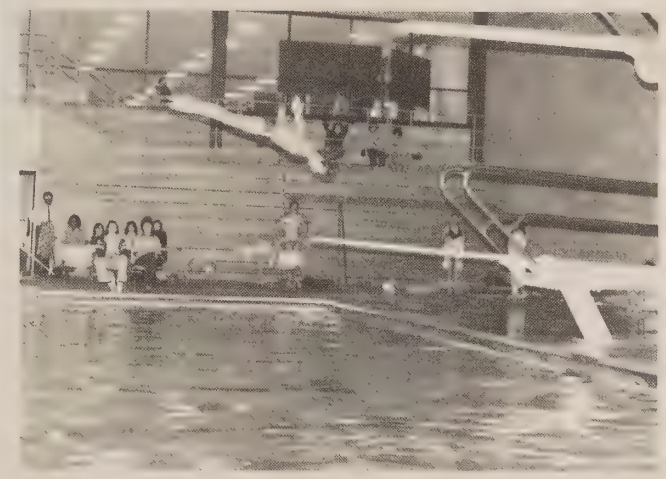
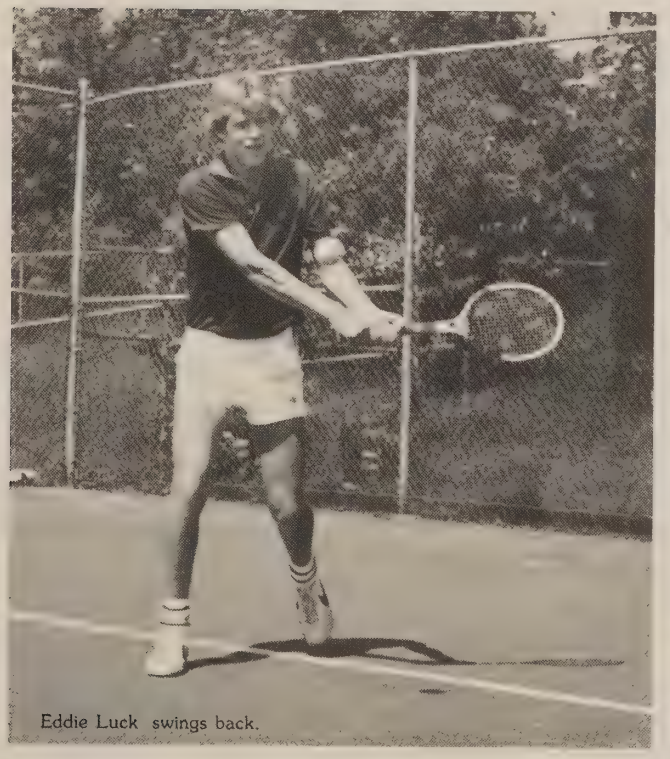
Mount Vernon's "Scholastic Action"



Eileen Cutting goes at them!





Eddie Luck swings back.

The unknown jumper strikes again!

Why?

Sports. . . why do people play them? Is it for glory, recognition, or just for fun? No one knows for sure. We do know that the majority of people who play sports benefit from them. Not just physically, but also mentally, for athletes build character, leadership, and other values which our society places a high price on. Perhaps that is why there is such a strong emphasis on sports at the secondary school level. Yet, whatever the reason, Mount Vernon High School produced individuals who participated in interscholastic sports, bringing honor and recognition to Mount Vernon.

The spirit and stamina of the JV team led them to a record of 15-6. Giving one-hundred percent, the team displayed determination and dedication were just a few words which portrayed the players' spirit. Under the guidance of Coach Todd Crowley the JV team put forth an eleven game winning streak. This year the team seemed to have been blessed with almost everything, height, outside and inside shooting, and ball handling ability which helped them to place third in the District. A promising year is expected in 1979 when this year's JV team advances to the Varsity level.

Varsity Basketball

Coached by Don McCool and assistant Herb Estes, the M.V. Varsity Basketball team captured the In-Season District Title. Outstanding players during the season were Junior Brown, averaging 20 points per game, Darryl Wainwright at 15 points per game, and Darryl Williams with an average of 14 points per game. Outstanding defensive ability was shown by Jay Majors, and Billy Davis showed impressive ability at rebounding. Ranked 3rd in the Metropolitan area and #1 in the Northern Region for most of the season, the Majors scored over 100 points in 5 of their games. Named to the All-Tournament team were Junior Brown, Darryl Williams, and Tim McDonald.

Go for it!

Chris Higgins is open for a shot.

A difficult shot.

The girls junior varsity basketball team ended its season in February with the Gunston District Championship. They played in eighteen games and won fourteen. Of the four games lost they were defeated only by narrow margins.

According to Bruce Patrick, the girls' coach, the most exciting moments of their season came when the Majors defeated West Springfield at West Springfield by one point. On another occasion the team, when playing Jefferson, scored the most points in their season and at the same time kept the Colonials to a meager score of thirteen.

At the end of the season the girls voted Chris Higgins and Chryl Ryan team captains. These two girls showed team leadership and exceptional ability to be elected to this position. Mount Vernon is proud of its junior varsity basketball team and their dedication to make it a good one.

Score one for the Majors.

Teamwork—A Desire To Win

This year's Girls Varsity Basketball team was made up of quite a few experienced players. Of the eleven players that made up the team, six were returning varsity, and two played on the Junior Varsity last year. Although the team peaked in the middle of their season, they placed third in the Gunston District. However, they are a relatively young team and are very hopeful for next year's season.

The co-captains, Joanne Ciccone and Janet Chaloux, lead a very determined team into the District competition. While playing Fort Hunt the girls displayed exceptional team work by helping Betsy Zepka to clinch the game by completing two free throws and defeating the Federals with a score of 39 to 38.

With the team work and spirit that these girls showed throughout the season, they can look forward to a very promising season next year.

Under the leadership of five co-captains, and the guidance of Coach Robert Jones, Mt. Vernon's swim team captured a 2nd place Gunston District finish and placed 15th in the Region. Most valuable swimmers on the team were Laura Kirkpatrick for the girls and Matt Allison for the boys, being the high scorers on the team.

The five co-captains were Laura Kirkpatrick, Connie Crowley, Chris Argo, Paul Cutting, and Ned Shlesinger.

A big back splash.

Brian Sherman pins again.

"The thrill of victory and the agony of defeat" — These words are often used to describe the varied emotions that all athletes face. But, the thrill is not only in the winning. It also lies in the excitement of competing and in striving to meet the individual goals. Under the leadership of Coach Brian Taylor, along with captains Brian Sherman and Tom Turner, the varsity wrestlers proved to be one of the toughest in our district. With group work and sheer determination the Majors ended the season with a 7-4 record. With time, hard work, dedication, and ambition, the varsity wrestlers finished second in the District Tournament. District champions were 119-Brian Sherman; 167-Joe Bass; and HWT-Tom Turner. Runners-ups for the Majors were 98-Ronnie Thorton; 105-Jeff Newman; 126-Dan Daus; and 132-Chuck Miles. Consolation finals winners were 112-Ted Stauffer; 155-Pat Quigley; and 185-Chris Mitchell. Also for the Majors, runner-ups were 138-Joe Shine; and 145-Ike Crytzer. At the finish of the District Tournament the varsity team continued to the Northern Regional Tournament. Coach Taylor used his many years of experience to shape and guide the team to be one of the most competitive at Mount Vernon.

With 55 seconds left, Chris Mitchell makes his move.

Joe Bass labors toward back points.

In the first period Tom Turner works for the take down.

Too soon our senior year will close and then each of us will go our separate ways. We can't forget the tears; we can't undo the wrongs or recapture the good times. When reminiscing we recall all the parties, dances, dates, new friends and new teachers. These memories might be thrilling or terrifying, but they are the preparation for the challenge of life.

The seniors came close to sweeping the 1978 Homecoming competitions. MaryAnne Vogel's carpenters worked day and night to have the U.S.S. Mount Vernon ready to sail for the Homecoming night parade. Salinee DeOlazo and her studio of illustrators created a colorful World War 2 poster proclaiming the defeat of the Rebels. Mike Kormanik and Mike Patrick presented what many students thought to be a winning skit. The seniors displayed their overall enthusiasm by winning the Pep Jug.

Freshmen don't know it and
know they don't know it.
Sophomores think they
know it, but don't know it.
Juniors know it, but don't

Hard work, dedication, and endless spirit are a few terms that describe a senior at MV High. During these past four years, changes have taken place in us and in our world. Old friendships have faded while new ones unfold. As well as participating in school activities, long hours were spent studying to help us achieve our goals. Through the years we have had some hard times but have managed to pull through. As we leave the routine of the last twelve years, we say hello to a demanding world where we may not be allowed a second chance. These past four years remain ours . . . to be remembered . . . to be cherished . . . but most of all to be continued . . .

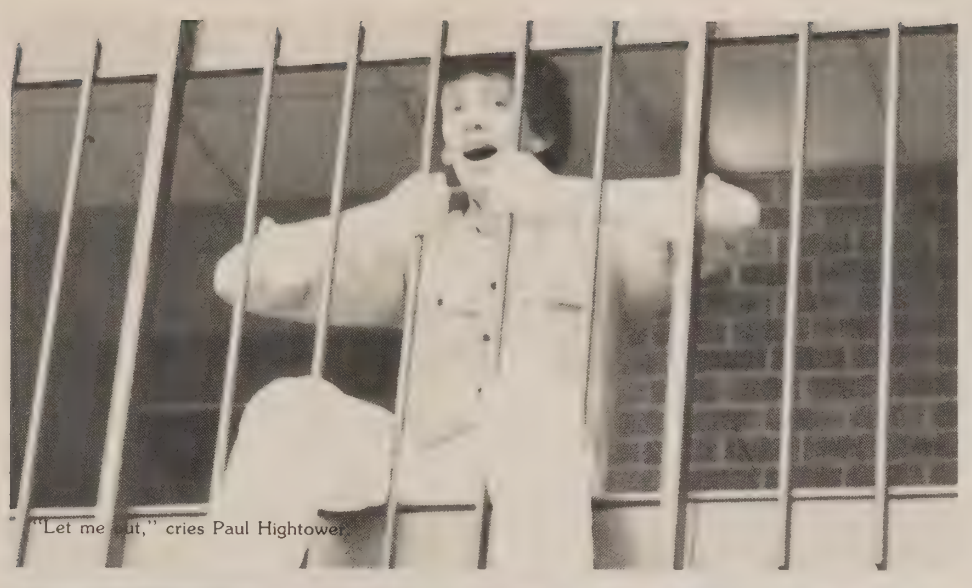
Some Seniors Feel All "Cooped Up"



"Let me out," cries Paul Hightower.

June-the month most seniors live for-the end of one life-the beginning of another. Helping each other, we made our way towards graduation. We sought to express ourselves through endeavors which carried us to work experience, sporting events, and service throughout the county. We were influenced by the enthusiasm of the school and by the sun that shone in our hallways. Additionally, our environment and its culture provided us with the opportunity to venture beyond a limited world and to participate in every possible experience of our high school days. Whether it was competing in athletics, struggling to understand the writings of Shakespeare, making the worlds' most delicious sandwich, or simply having fun, we, the seniors, strove for excellence.

The sophomores discovered a change in the amount of time and effort they had to apply to their studies this year. They realized that the homework load would continue to grow until graduation time.

As their classes got harder they found it difficult to maintain previous grade averages. But with this new responsibility they learned to be more independent. The expression, "It's a whole new ballgame," was certainly applicable to the Sophomore Class.

ABOVE: "I think I like that idea!" states Amy Poor. BELOW: Cyndi Knudson exclaims, "papers, papers and more papers!"

Sharon Phillips thinks Curly Tops have more fun!

"Think carefully about each problem and do a good job!" said the proctors as the class of '81 sat down in their seats to take the test that would decide whether or not they would graduate. The test was the Minimum Competency Test that was taken on the ninth of November by the sophomores. The Fairfax County School Board required the students, starting with the class of '81, to take the examination in order to qualify for graduation. Those who didn't receive the passing grade of 70% or better, had the chance to take the test again in April.

LeeAnn Dorman expressed her feelings about the test, "I thought it was easy. If they give the same test for graduation, we'll all pass."

Sophomores found Mount Vernon a truly multi-faceted school. It was rewarding to participate in many non-academic areas. After school the gym was used by all the students including a few sophomores who found that it was just the perfect time to get their bodies into condition.

Between classes was also a good time to get acquainted with others around the sophomore locker bank. When they went to class, they also were not always involved in academic discussions. Some of the students had fun while they learned. School for the sophomore class was not just for learning but for having a good time in many ways.

"Are you really sure that is the correct answer?" asks Lisa Masciola to a classmate.

Does the class of 1981 have spirit? You bet! Not only class spirit, but enthusiasm for their school too! Spurring the Mount Vernon Majors on to bigger victories, the sophomores' spirit won them the pep jug on several occasions.

The sophomores displayed their class zeal during the various Homecoming events. Their theme for the wall decoration, skit, and float was the "Fabulous Fifties." Although they did not emerge victorious, their enthusiasm never diminished.

As students casually walked by the olive and yellow locker bank, they always noticed the sparkling smiles, cheery giggling, and bubbling conversation that filled the air.

Their proud and prestigious Sub School principal, Mr. Skinner, would have said, "The Sophomore Class makes the sun shine in the halls of M.V. High!"

Mr. Skinner, as seen in the eyes of the student, was a friend, as well as a principal.

When asked what he felt about Mr. Skinner, Erik Ubanks said, "He has a friendly attitude toward the students and he doesn't give you detention unless you are asking for it."

Sophomore Carla Seese said, "He's nice. I didn't know Mr. Bernard like Mr. Skinner."

Charles Harman gave his opinion. "He doesn't let you get away with anything and he checks up on you. He's stricter than Mr. Bernard but friendlier towards the students."

Their freshman year . . . what a change they have been through. They have seen new sights, new faces, and new challenges-the challenges that everyone faces as one enters a new school. Making new friends and adapting to a totally different atmosphere are a few of those challenges. There will be other quests too. Quests that have to be met with maturity and wisdom that came with learning how to cope with others as well as themselves. The time came to change from kids to mature young adults.

We've only just begun . . . was the thought on the minds of many of the freshmen. It was the beginning of a new way of life. It was a time to start thinking ahead - to take one step closer to our future, our goals. The time we have spent preparing for the journey has been well worth the effort we have put forth as we proceed through the years. The memories we gathered through the year will be carried with us forever, whether they are remembered with fondness or despair. The laughter and tears we have shed with friends along with the daily routine of life helped us to understand ourselves and others. While some of us watch the same sunset, some of us travel the same horizons; yet, wherever we go, whatever we do, we will do it together. Indeed, Class of '82, we're on our way.

Mr. Moffatt is sitting in his plant-filled office taking care of his freshmen.

New rays of sunshine brightened the halls of Mount Vernon High School. Along with the sunny faces-spirit, enthusiasm and involvement were added to our school. This spirit was brought forth at the football pep rallies and their participation in class activities. Enthusiasm was shown with each goal they set. The class worked together as a whole to help make the transition from junior high to high school a smooth one. New friendships were formed and old ones strengthened. The work was sometimes monotonous, but the feeling of achievement drove them on. The attitude undertaken by these freshmen was of a quality never seen before at Mount Vernon.

TEST PRAYER

"Now I lay me down to study,
I pray the Lord I won't go nutty.
And if I fail to learn this junk;
I pray the Lord that I won't flunk:
But if I do, don't pity me at all,
Just lay my bones in the study hall.
Tell my teacher I've done my best,
Then pile my books upon my chest.
Now I lay me down to rest,
To pray I'll pass tomorrow's test.
If I should died before I wake,
That's one less test I'll have to take!"

Many changes were made in the administrative staff at Mount Vernon High School. The senior class lost Mr. Victor Dazlausky who retired after thirty years of dedication to the school. Ms. Glynn Bates came from Groveton High School to guide the class of '79 through its final year. Former administrative aide, Mr. Michael Skinner, replaced the retiring Mr. Frank Bernard as the sub school II principal. Mr. Manson Tillman was promoted from counselor to administrative aide replacing Mr. Skinner. To add to the many changes, Mr. Oscar Match, teacher and career center sponsor, assumed the job as a counselor, replacing Mr. Tillman.

German students entertained parents and friends at their annual Octoberfest. The Spanish classes, although they did not have a general program, held private "fiestas" within their classes. In addition to these activities, the French and Latin departments both took trips to France and Italy, respectively, during the spring and summer.

WHAT? ESSAYS IN HISTORY?

The Social Studies department implemented new policies that caused Mount Vernon students unneeded headaches. The class of 1982 and following classes need four credits to graduate, as opposed to the three previously required. Also, the county implemented the research paper requirement, meaning each student must write a "completely error-free" paper. For the first semester, freshmen and sophomores wrote one paragraph assignments and upperclassmen wrote a five paragraph paper. During the second semester, the papers became somewhat more lengthy; the underclassmen composed a short essay and juniors and seniors wrote seven and eight page research papers, respectively.

TEACHING CHANGES IN ENGLISH CLASSES

In the English department, the teachers challenge their students to meet certain standards in their classes in the field of written communication, multimedia, and language studies. Another requirement the county mandated was the minimum competency test. This test will be taken by the class of 1981 and all classes thereafter to determine how much the students have mastered in English and other disciplines. If certain students are unable to pass the test, they will be given the opportunity the next year to learn the basics of English grammar and other material in order to pass the test. Another change at our school involved a new chairperson, Mrs. Jeanne Byrd replacing Mr. Thomason. Mrs. Byrd previously taught at Fort Hunt High School. Mr. Robert Ingalls also joined the department.

At Mt. Vernon High, students were seen involved in many different aspects of the Industrial Arts department. The course gave students an opportunity to explore the many fields of industry. They were instructed in the use of different machines, tools, and materials relating to the many aspects of the program. The students studied everything from basic make-up of cars to basic architecual designs; from electricity consumption to the cabinet making. These were just a few of the well-planned courses taught by the teachers and enjoyed by all. There is a course for every student in M.V. who is interested in industrial arts. It is especially useful for students seeking a career in this field, but there is room for students who just want the experience of building, fixing and planning for pure enjoyment.

Last summer, students attended programs at Virginia state colleges where they gained experience in leadership and individual study. For the Governor's School for the Gifted, Cathy Damico and Sonya Rydzewski attended courses at Randolph-Macon Women's College, and Missy Atkinson and Neal McDougall took part in the program at Mary Baldwin College. At Girls' State, held at Longwood College, and Boys' State, held at Lynchburg College, seniors learned about the government by acting out governmental operations themselves. They formed cities and elected officials. Darryl Williams was elected Attorney General.

Academic Activities

1/ Mrs. Landgrabe and three of her French 5 students took time out from studies to enjoy a cultural experience. Pictured from left to right are **Mrs. Landgrabe, Brad Smith, Joan Larson,** and **Terry Denton.** The number of advanced French students at Mt. Vernon was the largest in Fairfax County. The majority of foreign language students here took French, unlike past years when the majority of students were enrolled in Spanish. **2/** Sophomore **William O'Neil** tried to guess what kind of questions he would encounter on the Minimum Competency Test taken the past October. It was the first time that this test of practical skills was given to high school students in the state of Virginia. At first sophomores did not quite know what to expect, but upon taking it they found that it was mostly a test of common sense. **3/ Paul Vail** and **Ronnie Thornton** looked on in amazement as **Jon Anderton** found some curious creatures under his microscope in molecular biology. Students in this advanced science course participated in activities both inside and outside of the classroom, including a nature walk and a trip to the water and sewage treatment plants.

1/ The It's Academic team earned scholarship money for worthy students in the annual Channel 4 It's Academic contest. The team appeared on the air on October 29 in competition with Holton Arms and Central High Schools. Pictured seated from left to right are **Mike Condray,** sponsor **Mrs. Landgrabe,** and **Neal McDougall** (captain). Standing are **George Sotos, Norman Ackerson, Andy Atwell,** and **John Condray. Don Hanson** is not pictured. **2/** The first Superintendent Academic Awards team here was formed by sponsor **Mrs. Byrd** in order to help promote English skills. A few of the team members, **Sean Conley, Ann Hulshizer, Stuart Venzke,** and **Dwayne Proctor,** discussed literary works in preparation for future competitions. The team had not decided whether to compete between themselves or with other schools at the date of publication. **3/ Officer Pendley** informed drivers education students on the traffic regulations involved in driving. Movies and filmstrips gave additional information about the hazards of the highway. Students in the state of Virginia must take a classroom course in order to obtain their drivers' licenses.

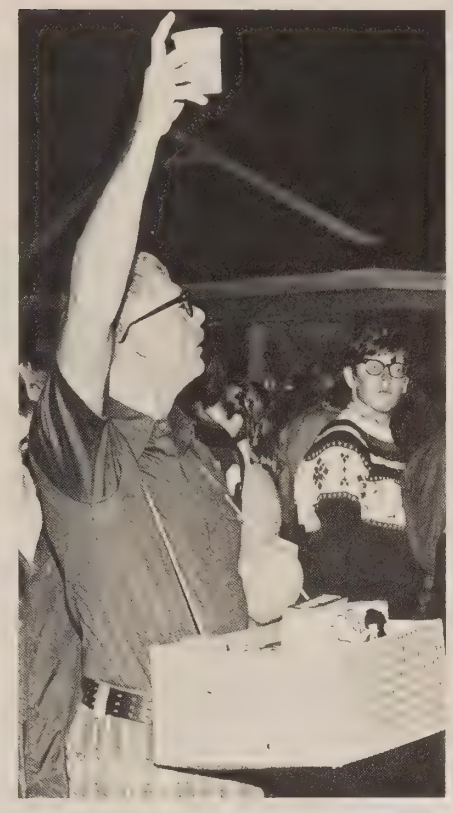
CLASS OF "1981"

CLOSING



Major Moments With Familiar Faces . . .

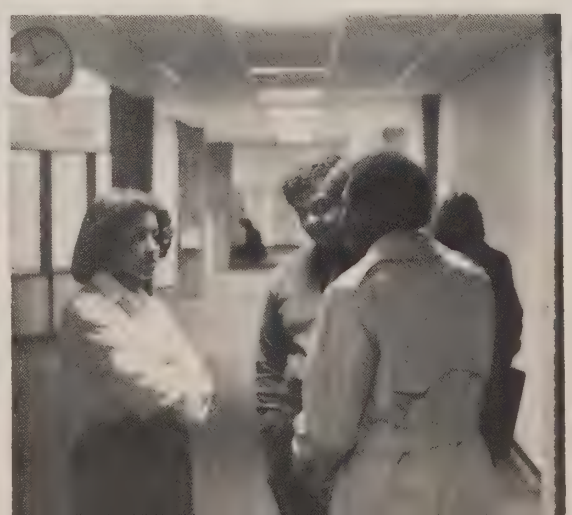
The halls were full of excitement, even teachers seemed to share in the anticipation of the coming night. The night was Nov. 3rd; the big important game was upon us; the football team was still undefeated out of nine games. Everyone thought that this was the best and only way to end a season: the last game, a match with our arch rivals Ft. Hunt, and lots of honors if we won. Winning would mean another District championship. But despite the skill and determination of the team, it appeared that Lady Luck was not smiling on us as Ft. Hunt won 34-18. But even though the scoreboard didn't show it we all knew that the Major's were #1 anyway.

Later on in February the anticipation of another game was brought on again. The Major's Varsity Basketball team was 18 and 1 and was ranked number three in the Metropolitan Area. Our only defeat had been to the Groveton Tigers. But on Feb. 16, 1979, we had the chance to take our revenge on the Tigers. The Major's were playing to a record breaking attendance of people in the big gym. Everything rested on this game, if we beat them we would be the in season District champs but if we lost — Groveton would carry the honors. But this time the Major's carried through with a 69-62 victory over the Tigers.

On the morning of Dec. 30, '78, Ft. Hunt H. S., our acclaimed rivals, was hit by arsonists. The school suffered such severe damages that many officials were considering closing down the school for good. But there was still the problem of where to place the students so that they would miss only the minimum of school days. They finally decided on having Ft. Hunt team up with Groveton in split sessions. And while Ft. Hunt was there, they would decide on a more permanent solution. Finally with their decisions to rebuild the school came the explanation that if by May 1, 1979, the school would not yet be capable of holding all the students, they would be transfered to Mt. Vernon on March 26, and begin another split session process. The decision to transfer the students came and so just as in the Groveton situation Mt. Vernon began classes at 7:30, and ended at 12:35, while Ft. Hunt started at 1:00 and ended at 6:05. This arrangement was found to be quite acceptable to the majority of the students at Mt. Vernon, who liked the idea of getting out of school early in the afternoon since it was spring.

ABOVE: These sophomores can appreciate a beautiful face. BELOW LEFT: Joe Bass wins another match. BELOW CENTER: Mrs. Wilson, Mr. Richardson, and Mr. Tillman have a heart to heart talk. BELOW RIGHT: Mr. Moffatt tells it like it is.

Terri Waldrop outshines all the rest.



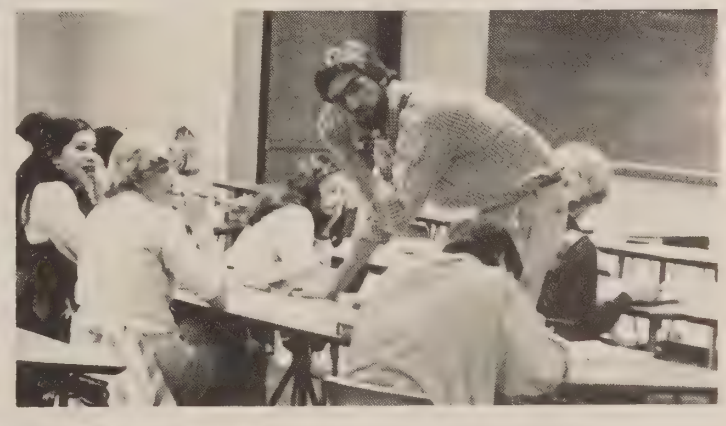
And Some Familiar Places!

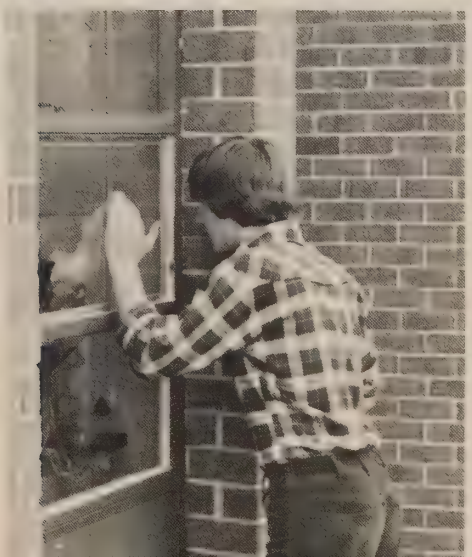
The school year 1978-79, was filled with record breaking temperatures. No one put on their winter coats till the middle of December because of record warm weather. And with all that warm weather it was no wonder that by the time January rolled around everyone was wondering if we would get any snow at all this year. But just as everyone was about to give up any hope at all of snow, it came. On the nights of February 6 and 12, it snowed and snowed, we ended up with 5 days off from school because of it. Then to top it off on February 18, Virginia had one of the biggest snowstorms in her history. There was a total of 23 inches of snow lying on the ground, not since 1922 had there been such an onslaught of snow. We ended up only going to school for one day that week. And by the end of all these snowstorms we had gained 8 days off from the snow. With all this snow on the ground everyone thought that it would be around for some time, but then the rains came and in little over a week there was almost no sign of the snow at all.

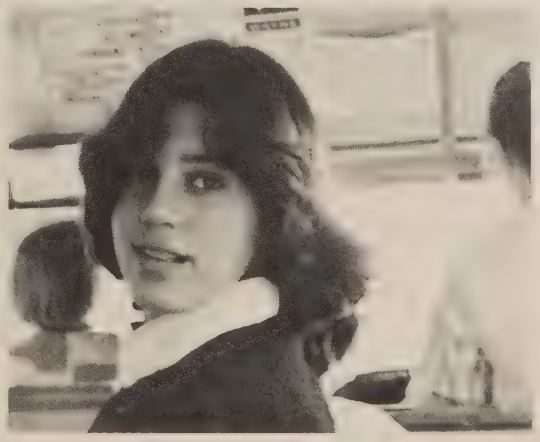
You are entering another phase of the twilight zone.

These bookshelves hold books — and gossipers.

Another hustle bustle day in the Media Center.







TOP: Mr. Crowley catches the photographer peeping in during class. FAR LEFT: Mark Clemenger searches for Mrs. Right. LEFT: "You want me!?" exclaims Robin Roughton.

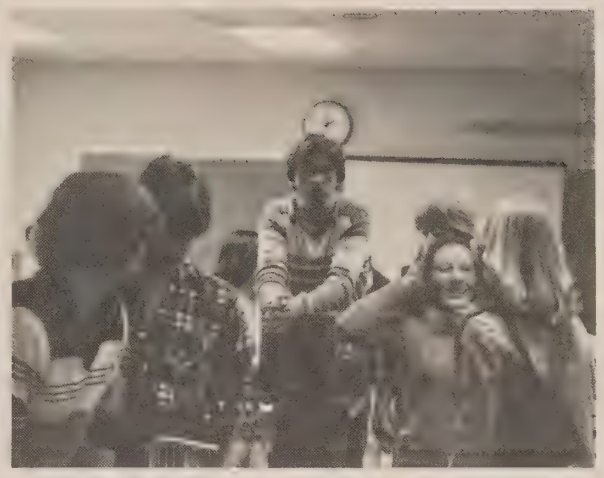
Smile! The Year Is Almost Over

ABOVE: Seniors Pat Piatak and John Schuck think seriously about graduation. RIGHT: Marilyn Spotswood exclaims, "You're kidding!"

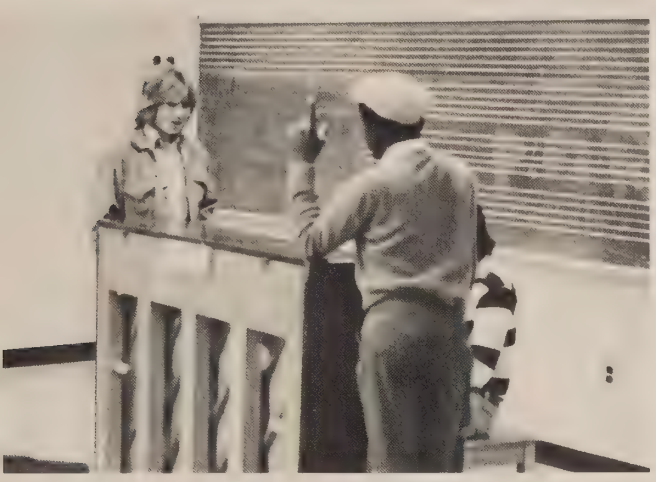
ABOVE: Only three drill team members left in their game of Simon Says. LEFT: Freshman, Stuart Venzke, turns in wonder at the cameraman's call.

Remember When . . .

. . . we took naps in kindergarten.



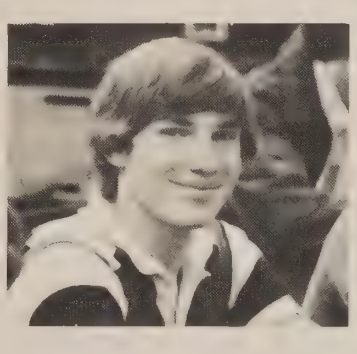
. . . students paid attention to teachers.



. . . everyone had to take Music.

. . . we actually studied.

. . . we spied on older brothers and sisters.



. . . boys fought to get away from girls instead of near them.

. . . bubble gum cost a penny.
. . . movie tickets cost 50¢.
. . . when sixth graders were "the ultimate."
. . . milk was 3¢.
. . . everyone had to have their daily cootie shots.
. . . girls wore shorts under their dresses.
. . . an exciting Friday night consisted of the Brady Bunch and the Partridge Family.
. . . "coke" was just a drink.
. . . the birds and the bees were just insects.
. . . cars were just obstacles in the driveway.

. . . it was only four years away.

Our year began a month early as we quickly organized senior pictures and prepared ourselves for the all-important meeting with our new yearbook sponsor. Anxiety could be felt throughout the yearbook room as we readied ourselves for the person who would risk her social life and test her sanity. Questions floated around the room. Would she be nice or would she be a slavedriver? Who was going to be the Editor-in-Chief? Why were we in school in the middle of August? These questions and more were answered as Mrs. Phelps stormed the photo journalism world that day, rookie to the yearbook class and unaware of its detrimental effects to one's health.

The seven returning "veterans" and new applicants worked tirelessly and endlessly in their efforts to meet the detested deadlines. Under the guidance of Editor-in-Chief Heather Herndon and Assistant Lorraine Myers and the dedicated Mrs. Phelps the yearbook began to take shape. Despite the fact that only one deadline was missed the yearbook work was completed by March 1 much to the delight of everyone.
